

DONOR WALL BRICK SALE

Graham Booster Club Fund Drive

for

Stadium/Concession Project

Through the efforts of many staff, alumni, and volunteers, Graham now has a new 2500-seat stadium on the home side. This is an increase of 1100 home-side seats. The new pressbox is a 54-foot-long state-of-the-art facility with a fully useable top deck with a video canopy. The concession/restroom/storage/ticket booth building is a 32' x 100' and solves a great number of problems we had in the old facility. The new sound system is the envy of all the area schools. The donor wall for the track renovation of 1998 lines the entrance to the field.

The project is being accomplished through the Graham Booster Club. Bill Dallas, Class of 1973, has pledged \$300,000 for the stadium. The site work, concession building, and sound system add up to another \$350,000. The Boosters currently owe approximately \$150,000 on the project. We naturally want to pay off the debt as quickly as possible.

A fund drive is still underway. One part of the fund drive is adding to the new section of name-engraved donor bricks in the entry way of the stadium. Anyone who wants to purchase a donor brick to help pay the debt on the current renovations is encouraged to do so.

Anyone willing to contribute may send tax-deductible contributions to Graham Booster Club, c/o Pam Hoey, Graham High School, 7800 West Rt. 36, St. Paris, Ohio 43072

If you wish to purchase a donor brick for the entrance wall, fill out the form below and mail it to Mike Ludlow. Cost of a brick is \$100. You may send a \$25 down payment and monthly payments, if you wish.

Any individual or business interested in a \$500 to \$999 contribution may purchase a 4" x 8" limestone brick. A \$1000 or larger contribution will be recognized with a 8" x 8" limestone brick.

For additional information please contact Graham HS Athletic Office at 663-0001.

Your name _____ phone _____

Please find enclosed my contribution of \$ _____
or find enclosed \$ _____ for _____ donor wall brick(s) or \$ _____ down payment for _____ donor wall bricks
